MATCH PREVIEW WITH  
*Roselee Jencke*

### WHAT ARE SOME OF THE LESSONS FROM LAST WEEK'S GAME?

I was really pleased with how we competed last week for all four quarters and I think we continually worked hard at our game. We did a lot of things right and our structures were much better, we were much more connected. There were little wins that we got right throughout that game. Being able to finish off the game with the momentum that we did and being able to get it to that level where we scored 8 goals against their 1 in that last quarter was great. At no stage did our efforts diminish especially after the circumstances with Mahalia having a major ACL injury. The girls really rallied and we know that we've got that belief in each other and we've got that fighting spirit. We know that when we put our structures together and we control the ball then we are very competitive. It's those positive points that we've got to build on this week.

### HOW ARE YOU HANDLING THE TEAMS RESTRUCTURING DUE TO INJURIES?

It's challenging, there is no doubt about that. It is really testing our depth. What that does is it gives an opportunity to somebody else to develop their game and get experience and put another layer to their learning and their foundation of learning. It is a disruption but I felt that we readjusted really well last week and really quickly, especially with Abby coming on who hasn't done a full training session with us and managed to slot in after getting straight off the plane from New Zealand. Gemma moving into Centre after playing the

majority of the season as a Wing Attack really demonstrated how we well we adjusted. I think there is that feeling amongst the group that we can achieve good things and get little wins even if we do have these disruptions. I think the positiveness and the vibe around the group is really strong and we know that once we get that first win a lot can change.

### WHAT ARE YOU WORKING ON THIS WEEK GOING INTO THE FEVER GAME?

This week we're working on our own game again and making sure that our structures are working well, especially when we've got the ball in hand. In defence, we're making sure that we win the ball before it gets to the circle. Jhaniele Fowler has such a presence in the Fever circle and is the go-to girl, so we need to put as much pressure on as we can to force the mistakes up the court. We don't have Romelda to stick back there to nullify and place height for height so it's about confusing the space and making sure that whatever ball we do get we can catalyse and make it a win for us.

I think the most important thing is that even though we've got disruption across the court, the team really want to step up and work hard to take the opportunity and provide a real spectacle for their fans. Playing at home this weekend and having our fans behind us is really exciting and we're looking forward to playing in front of them with their support. We're looking forward to putting on a good performance.

## SNAPSHOT – ROUND 5

# SUPER NETBALL SNAPSHOT

Round 5 of the Suncorp Super Netball 2019 season saw NSW Swifts take out the top of the leader board with an impressive 60-50 goal win against the Melbourne Vixens. This marked the Vixens first loss of the season and quite a tough one, with the Swifts winning every quarter and all four bonus points.

The West Coast Fever claimed their first victory of the season securing a 63-61 win over the Collingwood Magpies. The game was tight and physical with neither team taking any bonus points in the second half. In the end, Fever took home 5 of the premiership points while the Magpies secured one. Fever's goal shooter Jhaniele Fowler well and truly earned the Nissan Player of the Match award after shooting 51 of the Fever's 63 goals, missing only one.

The Sunshine Coast Lightning secured their fourth consecutive win of the season after claiming an 11 goal difference and defeating the GIANTS Netball 72 to 61. The incredible turn around in the third

quarter saw the Lightning earn an impressive 25 goals, resulting in the GIANTS letting the game slip away. Despite the disappointing defence, the other side of the court saw GIANTS star Caitlin Basset made her incredible 7000th national league goal.

The unlucky run in the 2019 season continued for the Firebirds this round after a loss to the Adelaide Thunderbirds of 54-51. This marked the Thunderbirds second win of the season, earning 7 of the premiership points, and centre Chelsea Pitman receiving the Nissan Player of the Game. The Firebirds have been served another critical injury, with centre Mahalia Cassidy rupturing her left ACL in the first quarter. Despite the disruption throughout the season, the Firebirds remain motivated and determined to secure their first win. Firebirds goal attack Gretel Tippett also became the first Australian and just fourth player in the national league history to successfully achieve a consecutive century of goals.
