KEY LESSONS FROM THE LAST GAME (ROUND 3) OF THE SUNCORP SUPER NETBALL SEASON AGAINST SUNSHINE COAST LIGHTNING?

In the heat of the battle we have to be able to maintain possession of the ball and execute pass placement better. I felt that in that Fourth Quarter when we were coming back we had opportunities to really push them. Yet we just undid our game with some poor passing, so we need to be better with that and with our unforced errors. This has been a common theme for the past three weeks and is something we will continue to work on.

WHAT WERE THE FOCUS AREAS THIS WEEK?

Our key focus has really been on making sure our ball work and passing is excellent so we've got that unit connection and flow. We have also been focusing on tidying up our defence on the centre pass. We will continue to work on those areas right up until and during our GIANTS game for Round 4.

HOW WILL THE FIREBIRDS OVERCOME THE GIANTS THIS WEEKEND?

I think it has to be more about what we can control, which is ourselves.

I believe it will be a bit of an arm wrestle for much of the game. If you look at the matchups you know, our attack

end is matched very well with GIANTS' defence. If you look at the opposite end, their attackers match up very well against our defenders. It will be a real necessity for us to maintain a consistency of play and maintain that grind throughout the whole game.

Gabi will be back this week, which is really great for the team because it brings out leadership and confidence on the defence end. It allows us to have stability with Romelda playing the attack end so we have that continuity through the Centre and we can have Gabi through the Wing Defence. We won't be changing the team around much at the beginning that's for sure. The players will be able to settle and be in control of their own game. We may tweak it at halftime if we need to but otherwise it's just about each and every one of us stepping into our role and doing a job against our opponent.

We are disappointed with last week's game. We don't like losing. This week we really want to put out a really strong performance – especially in front of our home crowd. We believe we can win against the GIANTS if we play to our best and play really good quarters. It's going to be a grind but we are up for that grind.

SNAPSHOT – ROUND 3

SUPER NETBALL SNAPSHOT

Round three of the 2019 Suncorp Super Netball was not one to miss, with the Vixens maintaining their unbroken record and top position on the ladder, coming away with all eight premiership points and defeating the Thunderbirds 58 to 42.

The NSW Swifts also made it three-from-three after taking 80 goals, including Jhaniele Fowler's 1000th Suncorp Super Netball goal. Fever put up a tough battle but couldn't quite match the Swifts, taking 66 goals.

In the Queensland derby, the Firebirds had a tough time keeping up with the Sunshine Coast Lightning, losing 71 to 56. Firebirds goal

attack Gretel Tippet joined Fowler in scoring her 1000th Suncorp Super Netball goal and also maintained 100% shooting. The Lightning proved too strong across the court however, taking seven premiership points.

Following a tough start to the season, the GIANTS Netball claimed victory over Collingwood Magpies, securing their first win of the 2019 season. With only 8 points difference in the final score of 58-50, the Magpies tried to hold their own but were unable to match the GIANTS as they took 6 of the 8 premiership points.
