MATCH PREVIEW WITH
Roselee Jencke

OBVIOUSLY LAST WEEKEND WAS A TOUGH GAME. WHAT DO YOU BELIEVE THE FIREBIRDS STRENGTHS AND WEAKNESSES WERE IN THE GAME?

We were really disappointed with our performance and our basics not being as crisp as we would have liked in the first three quarters. I was really pleased we were able to finish off with a good last quarter and have some continuity toward the back end was good. Having two new players in the team for the first time was excellent and those connections and the understanding between the players can only get better.

Having Erin Burger back in the fold, who's previously been here, added a great deal of value. I felt Lenize Potgijter did a really great job coming on when she'd just hopped off the plane the night before, and shoot 24 from 24. I can only see positives from the combination of Gretel Tippett and Lenize and expect it to get better and better each week and each training session.

So although it was a tough game last week, we feel that with more time on the court with each other, the better our understanding and our connections will get. We do acknowledge that we've got to be better with making sure that we treasure the ball and not allow our basics to fall away when the pressure is on us.

WHAT HAVE YOU BEEN WORKING ON THIS WEEK FOR THE UPCOMING GAME?

We've been working on a lot of half court and long court and just playing the ball through from the centre pass to goal. We've been working on our structures and making sure that each other understands the different movements and the different types of ball that each player needs to assist them. There is a particular focus on getting that understanding for Erin and Lenize, and for the whole team; we've just been drilling that over and over again so that we've got really good timing and really good ball movement with that.

WHAT CAN WE EXPECT FROM THE FIREBIRDS PERFORMANCE AGAINST THE VIXENS?

This week the focus is on us and what we can control, and what we want to improve on is making sure that our basics are really done well. That's our ball work, our passing, our movement, our options, and our structures. We need to have a really good connection and flow through the court that, hopefully, won't be disrupted much by the opposition. We know that the Vixens are a really quality team so we have to just be really accountable and responsible for our own game. We're looking to be really competitive and improve on our last performance against the Vixens.

There is a really good vibe and really good energy around the group, especially with the added new players of Erin and Lenize. They're upbeat and supportive which is great, and they know that a win isn't far away. We've just got to keep persevering and working hard.

We know that we've got to really work hard in applying pressure to Vixens' attackers and hopefully get a few more wins than we got off them last time, win a few more balls and capitalise on that. Last time they shot exceptionally well so we'll be looking to disrupt that a little bit more so that we give our shooters and attack end the opportunity to score.

THIS WEEK IS ANOTHER HOME GAME AND ALSO INDIGENOUS ROUND, HOW SPECIAL IS THAT FOR THE FIREBIRDS?

We're really looking forward to again playing in front of our home crowd, they've been fantastic. We're looking forward to wearing our Indigenous dress and what that means for us as a team; being united and being supportive and caring for one another. We really do appreciate all our fans and we know that they're feeling it as much as we are, but we appreciate their support greatly and we're really working hard to get that first win, for them and for ourselves as well.

SNAPSHOT – ROUND 7

SUPER NETBALL SNAPSHOT

Sunshine Coast Lightning moved up the leader board to the second position in Round 7, as they took home a victory against Adelaide Thunderbirds, winning 59 to 53. The Thunderbirds started the game strongly, securing the first bonus point by only one goal. Destined to win, the Lightning soon took control of the match and took home six of the premiership points.

The West Coast Fever have recorded their third drawn game in just four weeks, securing a 63 to 63 result against the Giants Netball. The Giants dominated the game in the first half, leading by as many as eight goals. The Fever fought back, with Jhaniele Fowler scoring an impressive 61 of the team's 62 goals and levelling the goals by the game's end.

The NSW Swifts remain at the top of the leader board after taking home an impressive win of 68 to 46 against the Queensland

Firebirds. The Firebirds tried to find the connection in their newly restructured team, as they welcomed South African duo Erin Burger and Lenize Potgieter into their line-up only 48 hours before the game. A strong lead was maintained throughout the game by the Swifts until the Birdies' showed their fighting spirit in the fourth quarter, taking home the final bonus point of the match.

The Collingwood Magpies claimed their first ever Melbourne Derby victory, securing the 55 to 52 win against Melbourne Vixens. The Magpies established dominance early into the game, gaining a seven-goal lead in the first quarter. The Vixens fought hard in the second and third quarter taking home both bonus points, but the Magpies proved to be better on the day, securing the remaining six of the premiership points.
